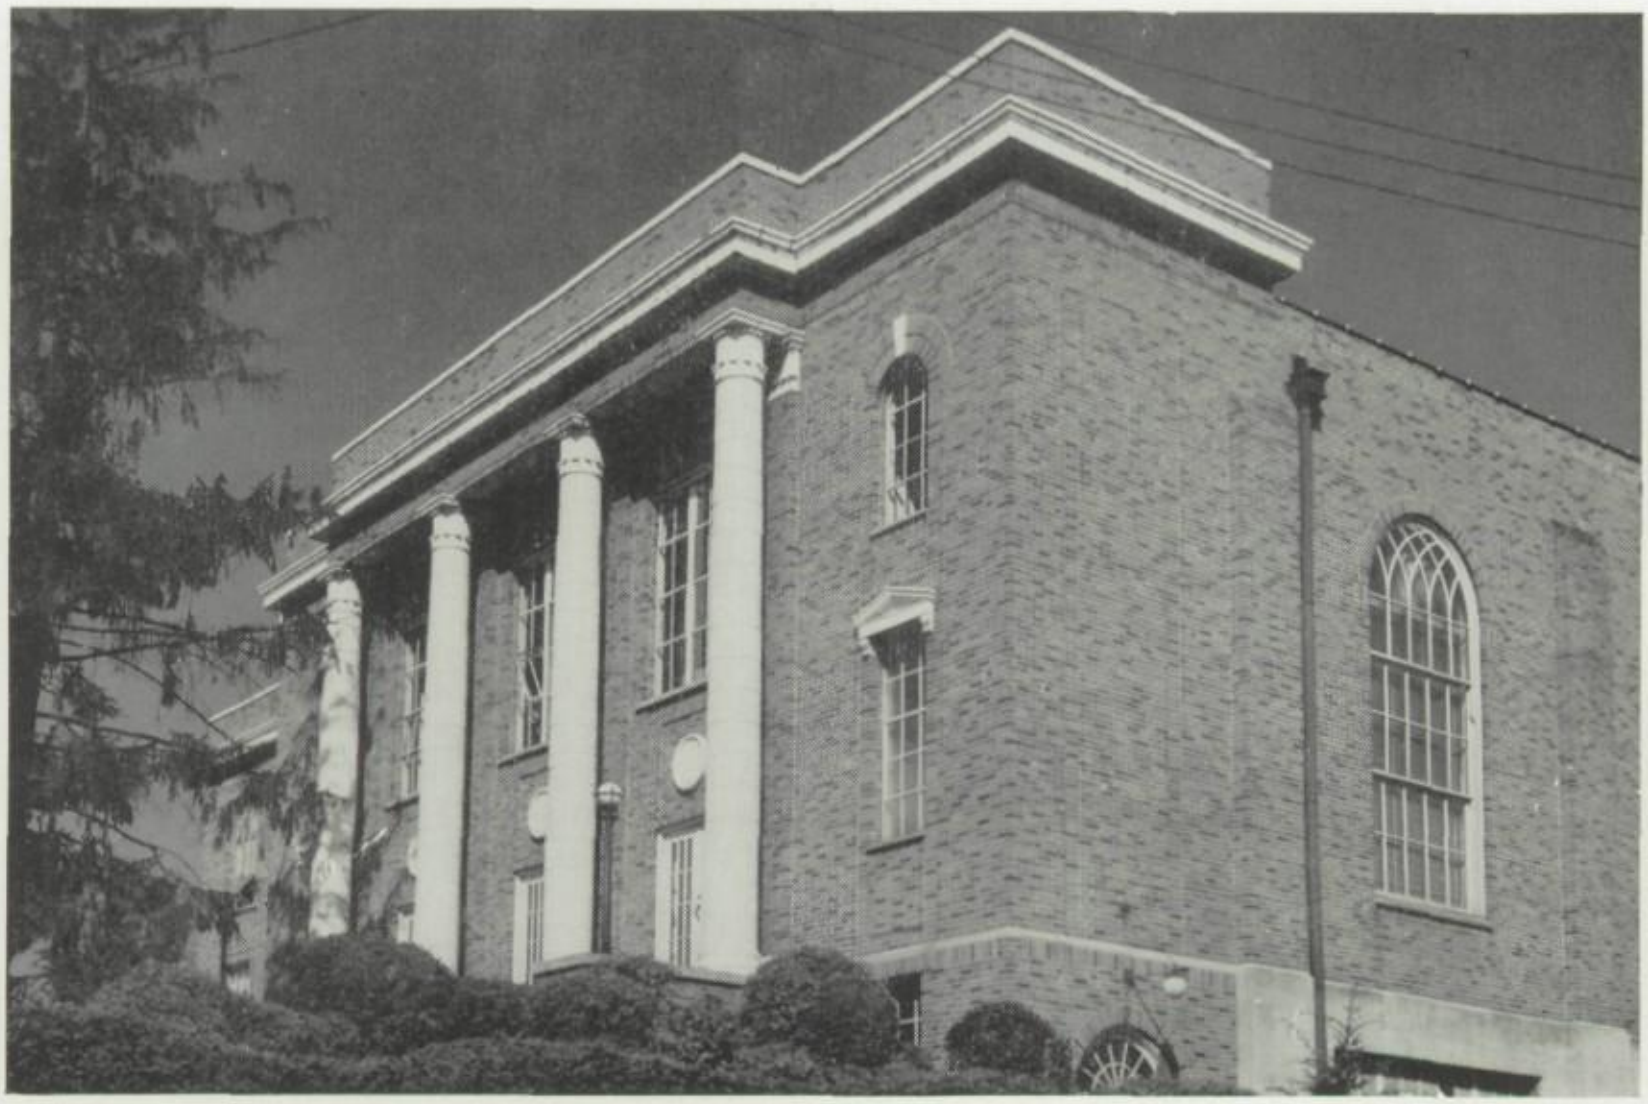
THE ANNUAL PUBLICATION

OF

THE ORACLE STAFF

WAYNESBURG HIGH SCHOOL

WAYNESBURG, PENNSYLVANIA



Our Theme

Music is the theme of our book this year. Music is a symbol of happiness and gaiety and we feel that our high school days are among the happiest days of our lives. We will always remember them with fond memories.

Our Dedication

The staff of the 1952 Oracle has chosen music as the yearbook theme. We feel, then, that it is only right to dedicate our book to all the musical organizations of our school—to the band, the orchestra, the girl's chorus, and the mixed chorus. These organizations are always striving to make our school days happier.

ALMA MATER

Waynesburg, dear Waynesburg,
our teams won't yield
And sportsmen you'll find them
in class, floor and field;
And our banner glorious,
Our red and black,
We'll always honor, nor
courage we'll lack.

For Waynesburg, dear Waynesburg,
Our cheer we'll raise,
And thee will we cherish
through all our days,
And even as old grads,
we will come back,
To swell the chorus for
red and black.

Senior Class

When You Come to the End of a Perfect Day

The Class of 1952 has at last reached its goal. We are now Seniors and are on our way to becoming future leaders of our country.

The Seniors are very proud of their standing in school activities.

We started out as shy Freshman, eager to become a distinguished part of the life of Waynesburg High School.

We first gained recognition for ourselves when we won first place in the Math test given at the college for Freshman. We also participated in sports and the social activity of the school.

Our Sophomore year we had gained more self-confidence as we became better acquainted with the customs and life in Waynesburg High School.

As Juniors we proved that our class could participate in any sport or activity and come through with flying colors. This was shown by our boys who took part in all the sports.

Now that we are Seniors we feel sure that we have set a good example of sportsmanship and scholastic ability for other classes to follow.

We know in the years to come that the members of our class will show themselves ready to meet any new experience with courage and ability.

Junior Class

There's A Great Day Coming

The Junior Class of Waynesburg High School is justly proud of its activities this year.

Only three years ago we were shy, little, green freshmen carrying around with us the black and blue marks the upper classmen so aptly branded us with.

As the next school year rolled around we began to really participate in the various activities and many of our members developed into outstanding athletes and leaders.

Now as Juniors we feel we are "full-fledged" members of our Alma Mater and are trying to contribute our most to make it better every day.

We sponsored a Talent Show and had several concessions and sweater hops to raise money for the Junior-Senior Prom, which is under the supervision of our Class. We also think we have the best cheering section in the school (not that we're bragging or anything) and hope our spirit and determination have often led our teams to victory.

We honestly believe we have proven ourselves worthy in keeping up with the other classes in scholastic and other likewise important achievements.

As prospective Seniors we hope we will live up to our own standards and that our happy journey through Waynesburg High School shall not pass by unnoticed.

Sophomore Class

Stairway to the Stars

On September 7, 1950 we entered Waynesburg High School as bewildered and confused Freshmen. Soon we began to feel more at ease and many members of our class began to participate in social, scholastic, and athletic events of the school. We were very proud when one of our class members showed his wrestling ability by winning the W.P.I.A.L. wrestling championship. Many other members of our class also began to show their ability in various fields.

When we came back after a pleasant summer, as Sophomores we really began to take our place in the activities of our school. Many of the boys began to play a prominent part in all the athletic events. The girls also began to play their part by participating in the various social clubs and organizations.

We feel that we have been of some credit to our high school and we are very proud of our accomplishments as the Sophomore class. As we look back over our two years in high school, we do so with pride. We remember our many good times and our good friends. It is with some slight regret but with definite eagerness that we leave our Sophomore year. We are looking forward to going on in the same way in our Junior year. We also expect to take our place as upperclassmen and reach new heights and new goals.

Freshman Class

Stormy Weather

Last September Waynesburg High School opened its doors to a new group of people—the class of 1955, and were we confused! It seems funny now to look back and remember how downright scared we were. Just too new to be taken in all in one day, and our theme song might well have been "Ah Wilderness."

We learned in the weeks to follow that good things take a little time. The first class meeting is always exciting because it brings everyone together for the first time. We started our high school career off thinking and acting as a group, and we liked it. Every democratic group needs leaders, and we are proud of our class representatives who have striven to bring out the best in us.

At first the title of "Freshmen" only meant hazing and bewilderment to us. As the year progressed we became aware of obligations, socially and educationally. "What are we here for, really?" And we found the answer in everyday activities—the sweater hops, the basketball games, assemblies and the various clubs—and work and play for a better school.

We have found the importance of continual growth and the goodness it produces. "Through experience comes faith", and we feel the effort made by the teachers in our behalf. For this we are grateful. We want you to be proud of us—we want to be proud for you.

The next three years are going to bring individual talent from our ranks in all the phases of school activities. It will be fun because the challenge is great and the competition keen. It will be work because of new problems. We hereby resolve to do our utmost in furthering school spirit, maintaining high ideals, and obtaining mental excellence. Let us strive to become good school citizens.

Coaches

We feel that many thanks are due to Mr. Lapkowicz who took over in the middle of the season as coach of the Waynesburg football team. Besides his duties as football coach he teaches spelling in the Jr. High School.

We wish to thank Mr. Corbett for the splendid job he did as assistant football coach. He not only helped Mr. Lapkowicz with the varsity, but he also coached the Jr. High team. Mr. Corbett is the Driver's Training teacher.

All-Conference

Each year an All-Conference Football team is selected by the coaches of the various districts. We were highly honored to receive recognition on this team. Our highest praise goes to John Summersgill, a Junior at W. H. S. and a very outstanding center. He was selected to be center on the first team. Congratulations John—you deserve it!

W. H. S. did quite well on the second team. Lew Johnson, our well known halfback, made right half. Jim Moore, a fine passer, held the quarterback position. John Higgins filled the fullback position.

We were also represented in the honorable mention column by: Dick Bonifield at left half; Mike Yanak at right end; Jim Barclay and Frank Parks both tackles.

The students at W. H. S. are proud of these boys for gaining recognition as good athletes.

Our Team

If all teams were judged by the win and loss column, there would be more bad teams than good ones. To look at the win and loss column of our team this year, the season doesn't look very successful. But every player on the team played hard and tried his best, even though they had some bad breaks that made the difference between winning and losing in a few cases. Football wasn't originated to develop the "win no matter how" spirit. It was originated to build the player physically as well as mentally. The boys on the team played hard and deserve a lot of credit.

Our Senior Letterman

LE. Earl Henderson—Earl played two years at varsity end. He will be sorely missed for his pass catching ability.
LT. Frank Parks—Frank played tackle and guard and played well both defensively and offensively at both positions.
LG. Chuck Zimmerman—Chuck played at guard and was a very hard man to move. Due to a foot injury at midseason, he was unable to play the last half of the season.
C. Jim Bussey—Although weighing only 125 lbs., Jim played well at center.
RG. Paul Matheson—Paul played guard. He was out for four years and was a very good guard.
RT. Jim Barclay—Jim was one of the best defensive and offensive tackles Waynesburg High has had for quite a while. He will be missed next year.
QB. Jim Moore—Jim did a swell job of quarter-backing the team this year. His good right arm passed for lots of yardage. Jim made all-conference second team and all-county second team.

B Squad

The B-squad had just as successful a season as did the varsity team. They played a total of 19 games with a total point score of 657 against 463 points scored by the opposing teams.

All-County Team

It was the school's privilege to have the following basketball players make the all-county team. On the first team Ed McKenna, forward, and John Summersgill, center, were chosen. On the second team Bob McMillan, forward, and Jim Moore, guard, were selected.

We are proud to know that our boys' athletic ability ranks so high with the other schools in our district.

We hope that the Junior member, John Summersgill, will carry on the good work next year as the other three members are graduating this year.

W. P. I. A. L.

The W. P. I. A. L. Tournaments were held in Washington High School March 6, 7, and 8. Waynesburg entered twelve boys in the tournament and took second place with 22 points, Washington coming out on top with 31 points. We had six boys go to the semi-finals with three going on to the finals. They were Jerry Wright, 138 pound class, Ronnie Kurtz, 127 pound class, and John Higgins, 185 pound class. Out of these three we had two champions, Ronnie Kurtz, and John Higgins, who will enter the P. I. A. A. Tournaments at Penn State March 15. The rest of the team did well too. After the excitement had died down on Saturday night, Waynesburg came in second with a total of 22 points.

P. I. A. A.

The P. I. A. A. Tournaments were held March 15 at Penn State. The champion of the four P. I. A. A. regional tournaments meet there to decide who will be the new State Champions. Waynesburg has two boys entered in these tournaments. Ronald Kurtz and John Higgins.

At the time this is written the staff has no way of knowing how Ronnie and John will do, but we are sure they will try their hardest to make Waynesburg proud of them.

Girls' Athletic Association

There may be still a few people who wonder what the G. A. A. stands for. It is the Girls Athletic Association and is composed of all girls who are interested in sports. The G. A. A. has grown since it was first organized and this year it is the largest that it has ever been since it was first organized. All the girls who belong learn how to be good sports under the excellent leadership of Mrs. Hill, the sponsor.

The girls of the G. A. A. may earn a letter by having 180 points. Most of the girls are very proud of their letters after they receive them, for they have worked hard all year to earn them.

At the end of the year the club holds an annual banquet which is always a huge success. They also play basketball, volleyball, and softball in which the different classes play against each other and then the winners play against each other for the championship.

Cheerleaders

Are we ready? Let's go!! That's a sound that is heard quite often by Waynesburg High School students; it means that our peppy cheerleaders are about to lead another cheer.

Our cheerleaders play an important part in our activities; they must help uphold our honor and keep our school spirit high, they must maintain a neat appearance and realize that our school is depending on them.

Next year three new faces will appear on the squad to replace the departing Seniors—Nancy Stevenson, head cheerleader; Alma Victor, Dolores Conrad. These Seniors will be missed but we are confident that the new members will prove to be an asset to the squad.

Letterman's Club

The Letterman's Club is made up of the coaches and the boys that have earned their letter in one of five sports. These are football, basketball, wrestling, baseball, and track. The rules for getting a letter in these sports are as follows: Football; An underclassman must have one more than half of the total quarters played, a senior must have eleven. Basketball; The boys must have the total number of quarter. Wrestling; A boy must have 22 points except a senior who has to have 11. Baseball; The boy must have one more than half of the total innings played. Track; A boy must have 14 points or place first in W. P. I. A. L.

This is an organization that upholds the school's activities and encourages better citizenship from the boys belonging to it.

The organization is going to give a jacket to the seniors who have earned their letter for two years in one sport or one letter in each of two sports.

Oracle Staff

We, the Oracle Staff, present to you the 1952 Oracle with the sincere hope that it meets with your approval.

We worked long and hard to produce your yearbook, and it is by our constant efforts and Miss Hackney's loyal supervision, that the Oracle is now yours!

The following things were a few of the responsibilities on our agenda for the year. The theme had to be chosen, the original dummy had to be made, the pictures taken, assignments handed out, written, proofread, and typed, the identification and mounting of pictures had to be completed, the second dummy made, yearbook orders taken, and money collected and turned in. This is a brief sketch of the work your Oracle Staff completed so that you might have your yearbook.

It is with pride, however, that we say it was worth every minute of the work and time that we put into it. In fact, we learned a lot and had fun while doing so.

In the many years that lie ahead of us, the Oracle Staff hopes that your 1952 Oracle will prove to be one of your favorite yearbooks, and that it will bring back memories of all the good times and friends you had while in high school.

The Student Board

There are twenty members elected to the Board each year, five representing each class. Members must have and maintain at least a C average. This term's Student Board, accredited with being the hardest working one yet, strove incessantly to execute its duties well, and has set a brilliant example for its successors. Under the counsel of Miss Meighen, the sponsor, and the fine leadership of the officers—Joe Headlee, Shirley Moninger, Norma Lindley, and Joe Ayersman, the Board coped with and met well the problems and undertakings assigned it by the Constitution, and those directed to it. The Board kept in contact with the State and National Organizations, sending delegates to Pennsylvania's 1951 Convention at Kittanning.

Members worked this year on giving students, parents, and faculty a better understanding of the Board's work. A good example was its supervision of Youth Day, sponsored by Waynesburg's Junior Chamber of Commerce. They worked hard to raise money for their projects. Our school thanks them for their success.

Tatling Transmitter

Rumors are Flying

Hear ye! Don't miss the next issue of the Tatling Transmitter!! Now you can really find out who that cute new kid's name really is, who won the furious softball battle between Rooms 17 and 14, who Johnny's new heart throb is, and what some club or other is doing and planning.

This year the staff has been one of the largest for a long time and has done its job faithfully and well.

It takes work, you know, to be even an amateur journalist. The editors hand out the assignments, the reporters do the investigating and snooping for the "scoops", the assignments have to be duly censored, the paper has to be set up, then typed and run through the Mimeograph, stapled together and distributed.

Not so simple as you thought, is it? This year it sponsored a school-wide poetry contest and the issues have been so unusually fine, they have set up a new goal for next year's staff.

Under the leadership of Miss Auld, the sponsor, and the co-editors, Wilson and Otero, we are proud to say our paper has reached new heights.

Library Science Club

We're the L. S. C. of W. H. S.
A "bookish, brainy" set!
We have our work, and do it well,
Mr. Dewey, we're glad we met.

We know the art of shelving books
And also how to mend.
We help to bind the magazines
And overdue notes we send.

We keep the library nice and neat;
We check the rolls each day.
We shellac and mark, do reference work
With never a thought of play!

Then, when the year draws to a close
And all the work is done,
We gaily to our Banquet go - -
And have a lot of fun!

Forensics

OFFICERS

President ..... Phyllis Wilson

Vice President ..... Peggy Wunder

Secretary-Treasurer ..... Angela Matz

Sponsor ..... Miss Hieftje

The Forensics Club of the High School has been very active in the past years and it seems to be also this year. They put on one assembly, and intend to have another later on in the year. The assembly was very interesting and it was enjoyed by all.

There are five characteristic types of forensic speaking. They are: humorous declamation, oration, dramatic declamation, original oration, and extemporaneous. Each member competes in one of these five catagories and may participate in more. The club also belongs to the National Forensic League.

There are many good qualities in belonging to the Forensics Club. You meet students from other schools through competitive tournaments and make many lasting friendships. It also enables you to speak with self-confidence before others. It also gives spirit of good sportsmanship. Miss Hieftje, the sponsor, has made the club a big success. The members are very grateful to her for her interest and helpfulness.

"Spring Green"

The High School Play was a fine performance. "Spring Green" is the story of a boy whose father doesn't understand him and a girl whose mother understands her too well. Nina Cassell, widowed mother of Tony and Scootie, has turned one wing of her large home into an apartment to house military personnel. When the officer in charge of the airfield moves in she is surprised to find that he is one of her old suitors. The girls in the neighborhood have been in a dither over the rumor that the major has a son, Newton, who must be extremely dashind and sophisticated because he was born and brought up in New York City and also has just been expelled from boarding school. When Newton arrives he is a great disappointment. He is not dashing, sophisticated, and is interested in only one thing—scientific breeding of earthworms. Newton's two prized earthworms were Jumbo and Salome. Newton, in all this confusion, falls in love with the prettiest girl in town who was Eula.

The play was under the direction of Miss Shirley Hieftje who did an excellent job.

There is Something About A Home Town Band

The Waynesburg High School Band should be congratulated for the fine performances they have rendered us this past school year.

Praise should be given to all the members of the band and their fine director Mr. Walter Gray. Also, we wish to extend our gratitude to Donald Jacobs, who so graciously gave his time and effort by serving as director at the football games and parades. Mr. Gray could not attend these events because of an injury to his ankle which occurred during the summer.

Another person who should not be forgotten, but commended, is Shirley Moninger, the head majorette of the band. Her untiring efforts also contributed to the success of the band.

The band is in various parades during the year which include the Hallowe'en parade and the Armistice Day parade.

On November 30 they participated in the Christmas parade not only by playing, but by deciding who "Miss Merry Christmas" would be. Their choice was Shirley Moninger.

The student body and faculty members have been very proud of the High School Band for the year of 1951-1952 and we are hoping they will keep up their good work.

Minstrel Jubilee

The staff is very sorry that we were unable to print a picture of the minstrel cast in the 1952 Oracle. Due to the illness of Mr. Gray, the date of the minstrel was changed and at the time the dummy was to go to the engravers the date had not been selected.

The high school minstrel has always been one of the highlights of the school year and the staff does not feel it out of the way to say that this year's minstrel will be a huge success as always.

The cast for the minstrel had, for the most part, been chosen and we are printing that without the picture.

Mixed Chorus

Music By the Angles and Lyrics By the Lord

The mixed chorus, which was introduced into the High School in the school year of 1946-1947, has become a very rising and popular choral group. This group is made up of girls from the girls chorus and any boys interested in music.

This year the chorus came along at high speed. Mr. Gray worked long and hard in preparing the chorus for the annual chorus concert in the spring. We were not surprised when the concert was the same success it had been in the past.

The chorus also planned a minstrel which, in previous years was a big event and again this year was no exception. The chorus is always aided in this work by the members of the band.

The Mixed Chorus practices every Thursday the fourth period in the auditorium.

Girls Chorus

Say It With Music

The Girls Chorus is made up of a group of girls interested in singing.

It gives many of the girls from all of the classes an opportunity to sing all types of songs. The group meets every day except Thursday and Friday in the auditorium.

Every year the Girls Chorus takes part in many different activities. These include special assemblies and churches.

This year the Girls Chorus participated in the Christmas program accompanied by the band, and was one of the best Christmas programs put on by the Girls Chorus, and was enjoyed by all.

The girls are now preparing for the annual spring concert which we all know will be a successful and entertaining one.

Every year a group of girls participate in the annual state concert. Waynesburg High School took first place last year for their fine trio.

The girls are taught many traits and experiences, and the girls cooperate singing in large groups which gives them self-confidence in singing individually.

We give praise to Mr. Gray on his fine work that he has given to the Girls Chorus.

F. F. A.

Old McDonald Had A Farm

The Future Farmers of America are a group of High School boys interested in agriculture. They are better known as the F. F. A.

Reciting the Future Farmers Creed makes one a member of the F. F. A. You are required to have a livestock project, which may be sheep, cattle, hogs, chickens and many other animals.

Mr. Swart selected some of the boys to attend judging contests at Penn State. Last June the following team of five was selected; Bradley Eisiminger, Harold Van Druff, Ralph Van Druff, Ralph Varner, Arthur McHenry and Terry Varner.

Bradley Eisiminger placed third and won a trip to Kansas City for the National Judging Contest of all F. F. A. members of the United States.

Gerald Kiger won a trip with the co-operative store, in which he saw many interesting facts.

Several boys attended the Pittsburgh fat lamb and baby beef show in October.

In January several boys attended the Farm Show at Harrisburg where they saw many interesting things.

F. H. A.

Mammy's Little Baby Loves Shortening Bread

The letters F. H. A. stand for Future Homemakers of America. Any upperclassman enrolled in the secondary school, who is taking Home Ec., may become a member. The main goal of F. H. A. is to learn to live better today in order that our lives and the lives of our families may be better tomorrow.

Members of the F. H. A. work together on many projects which contribute to better family living.

One big project for 1950-51 was the decorating of the basement of the Home Ec. Cottage. The girls won first prize of $25.

The second big improvement was the complete modern kitchen installed for the betterment of school, Home Ec. students, and F. H. A. members.

The F. H. A. members try to live up to their creed: We the Future Homemakers of America face the future with warm courage and high hope.

The members of F. H. A. wish to express their appreciation to their sponsors, Miss Burgbacher and Mrs. Carter, for the time and effort they have spent in helping us "toward new horizons."

Beta Tri-Hi-Y

To Seek, To Find, To Share

The Beta Tri-Hi-Y Club of Waynesburg High School is the popular organization made up of Freshmen and Sophomore girls who strive "To create, maintain and extend throughout the school and community, high standards of Christian character." Each year, any Freshman girl with an average of "B" or higher is eligible to become a member. A social and educational group as well, the girls learn to work and play together.

Always busy, they gave a Sock Hop, September 29th, that the whole school enjoyed, and sponsored a Bake Sale in November. It is noteworthy that the proceeds are for worthy causes, such as Thanksgiving baskets for the unfortunate.

November brought the impressive Candlelight Initiation Service, and for the first time the new members heard the inspiring motto, "Pure Thought, Pure Words, Pure Actions." The regular bi-monthly meetings lay the firm groundwork for this.

The 27th of December found these girls teaming up with Alpha Tri-Hi-Y in sponsoring the most festive event of the year—the Christmas Dance. The annual spring banquet is the "final fling" and is usually held with their sister group.

Under the capable leadership of Miss Closser, Beta Tri-Hi-Y has successfully proven its worth to the church, school and community.

Alpha Tri-Hi-Y

OFFICERS

President ..... Eva Jane Hancock

Vice President ..... Norma Lindley

Secretary ..... Mary Jane Osso

Treasurer ..... Audrey Kiger

The Alpha Tri-Hi-Y, a branch of the Young Women's Christian Association, is composed of Junior and Senior girls who are able to maintain a B average throughout the entire year.

The purpose of this organization is to study Christian ways and to create and maintain Christian character throughout the entire school and community.

The meetings start with a devotional service and then a formal discussion of future business is taken up. During the year, Teen-Talks are a part of Alpha's activities. These are talks concerning the spiritual and moral well-being of teen-age youths. These discussions are not compulsory, but are attended only by those interested in the subjects.

The girls prepare Thanksgiving and Christmas baskets for the needy. This is one of the several useful things they do throughout the year. They also sponsor the Cinderella Ball and Christmas Dance. Alpha also sponsors sweater hops and concession stands for the basketball and wrestling matches, from which the proceeds are used wisely.

The Alpha Tri-Hi-Y, under the able leadership of Miss Belle Ullom serves as an educational as well as social club. It teaches girls to be considerate and co-operative when working in a group. The club's motto, "Pure thoughts, pure words, and pure deeds" is practiced in all the club's activities.

Nature Study Club

Nature Boy

This club is made up of nature lovers. During the year we study trees, wild flowers, birds, minerals, Indian relics, and National parks.

By turning in a project, you are eligible for a letter.

The club members that meet every day as a class are Juniors and Seniors taking the course. All Sophomore and Freshmen members meet twice a month in organization period.

In the spring, we are planning to send students to take part in the Nature Study Contest in Pittsburgh and also at Waynesburg College. The students that take part in the contests will spend a day in Pittsburgh studying. The class went to see the exhibits at Waynesburg College Museum.

We are planning to go on some successful field trips this spring.

Bowling Club

I've Got A Lovely Bunch of Coconuts

Although it is only three years old, the bowling club is becoming more and more popular. The club bowls on Thursdays every week and each time there is a good turnout. At the beginning of the year the good scores were very rare, but as the year went on, the scores grew higher and the form of the bowlers grew better.

Ushers

Show Business

May I show you to your seat please? This is an example of the friendliness, courteousness, helpfulness, and all the other points that go together in making up our high school ushers.

They usher at such affairs as the minstrel, concerts, and all the high school plays. Occasionally, they usher at events during the summer for the local clubs and organizations that sponsor performances in the high school auditorium. We are always very proud of our high school ushers.

Home Room Representative

The Builders

At the beginning of each year, each home room elects a representative to meet with Mr. Porter, the sponsor, to plan the noon hour program. The purpose of this program is to give the students that ride buses a chance to enjoy themselves during the lunch hour period. The representative must be a bus rider.

They play softball, German baseball, boys basketball, girls basketball, and volleyball.

The representatives drew first for the softball tournament which Room 14 won, after playing several games with Room 17, the runnerup.

The representatives have taken up a new project this year. Each week a home room is to pick a committee to clean the gym after each program.

Photography Club

You Ought to be In Pictures

The Photography Club is a group of boys that are of great importance to Waynesburg High School. They keep things going in the line of photography, such as running the movie projectors and slides, taking snapshots, spinning the platters at noon and at Sweater Hops, helping the Parent Teachers Association, and showing movies for the town's local organizations and clubs.

The Club has a wonderful sponsor, Mrs. Louise J. Martin, who helps the organization a great deal. The members think she is most capable for the job that she is doing.

The most important thing the Photography Club has, is their costly equipment. Some piece of machinery is used almost every minute of the day and is operated by some worthy member.

The Club is noted for being progressive, independent, and proud that they have honest, accurate, and dependable members in such a highly praised organization.

The new members of the year are all Freshmen. They are Ronnie Wilson, Allen Lapping, Terry Bracey, John Wermecke and Ted Stafford.

The Camera Club is one of the most interesting as well as educational clubs in school. Anyone wishing to learn more about taking good pictures should belong, because one learns about printing and developing, as well as learning how to get the best pose, scenery shots, etc. When the members have all graduated and left school they will have many more memories to cherish because of pictures they took while in the Camera Club.

At the present time everyone is busy making their Christmas Greeting Cards. This they do by transferring their individual pictures to cards and adding the Seasons Greeting. They then send the cards to friends and relatives, folks who are sure to appreciate the time and effort required. The Club holds regular meetings and has as their sponsors Miss Myers and Mrs. Martin. Their instructor is Mr. Moore of Fletchers Studio. A comparatively new Club, it is fast becoming one of the most popular in school. Contests are run and prizes are given which are worth working for.

It is always nice to get your education along with fun. So everyone wishes the club success, good luck, and Good Shots.

The Art Club

The Painted Hills

The Art Club may be called the most progressive group in our High School. Leading educators have recognized that there is no subject which meets the natural growth of a student as does art and its related experiences.

This year our Club has been giving each member the privilege of working in a varied number of materials—ink, crayons, pencil, water color, oil, etc. Weaving on both the Inkle Loom and standard four harness loom has been most fascinating.

Our group is ever conscious of new trends in "living today"—as reported in Art News and The American Artist, two of the best art publications of our time.

Yes, art is a happy experience. Come and visit our group sometime.

Acknowledgments

We, the Oracle Staff of 1952, wish to express our appreciation and sincere thanks to all who have, in any way, assisted us in the planning and preparation of the 1952 Oracle. We extend our deep gratitude particularly to our faculty advisor, Miss Mary Hackney, who gave unceasingly of her time and guidance. The art supervision was under the direction of Mr. Porter Rinehart, assisted by Donald Brewer and Joe Cooper. For the first time many of the pictures for the snapshot pages were taken especially for the yearbook by Howard Wilson and Donald Wilson.
